National Security Study Memorandum 52

TO:                   The Secretary of State  
                          The Secretary of Defense  
                          The Director of Central Intelligence

SUBJECT:            Military Aid Policy Toward Greece

The President has requested a review of our current military aid policy toward Greece.

The President has directed that a study be prepared by the NSC Interdepartmental Group for the Near East which presents arguments pro and con on the resumption of full military assistance.

This study should include an assessment of the present political situation in Greece as it affects U. S. interests.

This study should be forwarded to the Review Group by May 16.
